## **Your Invitation**

I know that you are at the door of my heart and mind and life. I know that you want me to live in an intimate relationship with you. You want me to hear your voice. You want me to respond to your invitation. You want me to hear your call. I can hear you knocking right now. I am here to welcome you into my life. I want what you want. I want to live in an intimate relationship with you. I want to follow you to where you lead me. I want to do everything that you ask of me. I am all yours. I am at your disposal. The desire of my heart is to come to know you. It will be my joy to do what is pleasing in your sight. Use me for your purposes. Help me to accomplish your plans. There is nothing else I desire. There is nothing else I want. I want to live my life with and for you in every way on every day. **That is very good.**

**How will you hear me? How will you listen to my call? How will know where I want to send you? How will you know what I want to do through you?** I will step away from the busyness of my life. I will come to rest in your presence. I will make meeting with you the priority of my life. I will listen attentively to what you want to say to me. I will take in all that you want to teach me. I will receive all that you have for me. I will allow you to mold and shape my life. I wait for your instructions. I will follow your directions. I will follow your leading. I will join you in the work that I see you doing. I will not run ahead of you. I will not fall behind you. I know that I can do nothing apart from you. I will wait for your power. I will rely on your strength. I will place all my faith and hope and trust in you. I will allow you to use me however you desire. I will be a tool in your hand. I will be an instrument for purposes. **Yes, you will and that will be very good. We will walk together through life. You will live in an intimate relationship with me.**

*Lord, I can see your hand at work in my life. I can hear your invitation for me to live in an intimate relationship with you. I know you are knocking on the door of my heart and mind and life. I want to live in an intimate relationship with you every day of my life. Amen*
