## **Impress**

**That is a very important word.** What is a very important word? **“Impress” is a very important word.** Why is that such an important word? **I will ask you a few questions that will help you to understand the importance of the word, “impress”.** **How will you allow my word to be impressed in your heart and on your mind? How will you make sure that my word is also impressed in the hearts and on the minds of your children? What will you do to make sure that my word does not go in one of your ears and out the other? What will sharpen your focus and keep your attention on my word? How will you know without a doubt that you are listening attentively to me? How will you know for sure that my word is changing your heart, transforming your mind, and guiding your life? How will you be certain that you are taking a firm grip on my word so that you will be able to put it into practice, as you love and follow and serve me? Now, are you beginning to understand the importance of that word, “impress”?** I want my word to be deeply impressed in your heart and on your mind. And not only yours, but in your children’s hearts and minds, as well. I understand. I get it. **That’s good.**

**Those were all rhetorical questions. I want you to think deeply about each one. I don’t expect you to answer every one of them right now. But here is a question that I would like you to answer now. How will you impress my word deeply in your heart and on your mind?** I will study your word. I will meditate on and memorize your word. I will teach and pray your word. I will even sing your word. Your word will be continually before me. But most of all, daily I will take a firm hold of your word so that I will be able to put it into practice, as I love and follow and serve you. **That will be very good.**

*Lord, I want nothing more to hear from you. I want your word to be deeply impressed in my heart and to be continually on my mind. I will meditate on and memorize your word. I will study, teach, pray, and sing your word. Daily, I will put your word into practice. Amen*
